“ He was definitely a one of a kind man. Jason and I enjoyed his company while riding UTV's for the past few years. He was always kind and didn't mind helping others. He was Joey and I's witness/chauffer when we ran off and got married, lol. He would laugh and remind me of it when he ran into me. He loved picking and making people smile. He will be genuinely missed. The family will be in my thoughts a prayer during this troublesome time.
