“ It's been almost a year and my life will never be the same...I miss you more everyday and talk to you all the time. I'm sure that you hear me baby....I feel that. The kids are doing well.....Becky and James built their new home and got moved in....Shelby still talks about you everyday....Presley will point to your picture and say, "Buck".....The new edition to our family finally came...a boy...your namesake, Lane Eugene Cannon....he is precious and has your eyes baby.....Brittany and Chad are doing well and bought Peyton her first pony...shes so funny and she too remembers her Buck....Bethany and Jeff are great also and little Miss Bella asks about her Buck too and she is growing up so fast.....Luke and Lakyn are still together and living just down the road from me....he is so much like you baby....it's amazing how little things he does reminds us all so much of you....we all love you so much and miss you but know that we'll see you again one day.....please continue to look over all of us, especially Luke...he's had a rough time lately.....there will never be another you...I know you're happy where you are but I so wish I had you right here with me again....I love you so very much baby.
