“ I have known Mr Lary since we moved here in 1971. He was always nice to me growing and always called me by name. We have grown to know each other quite well over the past 10 years since started cutting his hair. We had some great conversation over his haircuts. My thoughts and prayers are with you Ms. Betty, Jo, Keith and the family.

“ Betty, Keith, Joe and families  
My thoughts and prayers go out to you in your loss. Lary was my classmate and I have fond memories of him and Betty from my high school years,. Betty you were the wind beneath Larys' wings and he did love his family and friends. Joe and Keith you resemble your Dad very much and we will remember him always in seeing you two.  
In the 35 years of traveling to and from Albany on 133 I knew I could always call if situation came up that I needed help I could count on Moree Grocery for assistance.  
Like angels, I did not have to see them or ever use them to know they were there for me.  
Betty and/or Lary always reminded me when I stopped in from time to time. Always smiling, always friendly, always Lary and Betty..
