*Kaye I have not known your mother as Long as most people there have. But she was a most precious southern lady and one that I have had the honor to briefly know. Lynn and I want to express our love and prayers to you during this most difficult time.*

*I know your heart is broken, but she has been made whole and happy by our Lord Jesus Christ. Mom and I love you both. We have been together a whole year everyday taking care of our moms. Only God could have put us together. I remember when I would make monkey faces at your mom and she would stick her tongue out at me then i would say in your ear I LOVE YOU and she would say back I LOVE YOU TOO. It was sweet to see Mom holding her hand when she was having a bad day. We love you.*
