“ *I am sending this again because I don't think it went through the first time. I am so sorry for your loss. I have nothing but good memories of this funny man. He always looked after us in the neighborhood and made sure we were okay when we were little. Over the years I would run into him somewhere and he always showed genuine concern for me and my family. He always took time to speak to me and check on me and my family. Please know that I am praying for you and your family during this difficult time.*

“ Dear Curt, Chris, Stevie, Miss Doris and family. I was terribly saddened to hear about Lennis. Unfortunately, I only found out this afternoon. Lennis and I shared a lot of laughs and good times, and like so many of us from those days, didn't see each other any more. He was a good man and I am sorry..... Tommy

“ I am so sorry for your loss. Lennis and I worked together for a long time at Water Gas & Light and were really good friends for years especially when he and family lived on Hudson Lane.
