“ *So sorry to hear about Ms. Hullett. It has been several years since I have had contact with some of you, but you never forget the times spent growing up with special friends and visiting in their homes and especially the way you were treated by their parents and I always have had fond memories of the times spent in the home of Mr and Mrs Hullett. She is celebrating good days with old friends in Heaven now.*

“ *Our codolences on the loss of your Mother. Your family is on our minds and in our hearts. We know it is especially hard to lose your Mama. We always remember the good times we had growing up. I'll never forget all the times we practiced bait-casting our rods and reels.*
