“ I was blessed to have this wonderful woman in my life. God knew what me and my family needed when He led Ms. Lee & Mr. Vic into our lives. It's never been the same since and I don't wish it to be. There are WAY too many memories to list them here, but if you know them, then you understand where I'm coming from. Never will I ever have someone in my life to call me 'you mean thing' and not feel Ms. Lee's presence. Inside joke for us LOL, but I loved it as much as I love her. My thoughts and prayers are with you all, Mr. Vic, Brenda and all your other children. I know you feel a void here on earth for the moment, but we all know Ms. Lee is breathing HEAVENLY AIR and running around watching us all. My comfort, as I know you do, is that I will be seeing 'my sweet lady' again when I get Home. Love and Hugs to you all.

“ I was very Blessed to be one of Ms. Lee's ( I always called her that) Friend and with her husband Mr. Vic, Love them both very much. I miss her so much but I know I will see her again one day. I am so thankful she is breathing Heavenly Air, now she doesn't have to struggle to breath. I will be praying for you, Vic and your family....
