“ *About 65 years ago I was on a long walk on the way home on the dirt road between Anderson City after a pickup baseball game. It was getting late in the afternoon. I still had 2 or three miles to go before reaching my house. A car passed me and then shortly stopped and backed up to me. It was Mr. Dan Hufstetler and his family. He asked "Aren't you Mr. Greene's boy"? and I replied "yes sir" He said hop in. I joined maybe some of the kids in the back seat This has stuck in my memory all these years. This was the only contact with the family but I knew the name of the family. This was on the Anderson City/Bridgeboro Road. I hope the good Lord will hold the family in His hands and give some comfort to the family in their time of sorrow. May the lady rest in peace.*
