“ *I remember as a kid going to Aunt Sister's flower-shop every time I visited my Grandmother and Grandfather Davis in Sylvester. She would already have the head's up from my Grandmother Davis and have a red and white (GO DAWGS!!!!) carnation ready for me. I ALWAYS loved the smell of the flower-shop, and also loved walking into the cooler to smell the ones that were in there!!!*

“ *Ms. Lillian was a very good friend to my parents, especially in their golden years. I will always remember the enjoyment they shared. I also remember during our younger years, she was the florist that did all the flowers for our dates at Homecomings and Proms. Even watch some of us get married. Ms. Lillian seem to live her life to the fullest. She will be missed. May God Bless Her Family During This Loss.*

“ *What a full long life for Miss Lillian. I remember lots of laughter with her when I helped out at the florist shop during my high school and early college years with deliveries and the many other tasks she would find for me. I know that all of her large family will miss her dearly.*
