“ Linda was such a wonderful lady and will be missed! I greatly enjoyed seeing her as she was always so up beat no matter what she was going through. Her cookies she made for the staff that we would call "Crack cookies" were always a bonus!

“ Linda was one of my best friends for many many years. I don't know what I am going to do without her. We talked about everything together. She did her first fishing with me in my daddy's pond. We had so much fun together no matter what we were doing. We had many fun weekends camping at the lake with John and Linda and our other friends. I am going to miss her so much, but I will always have her in my heart. I know she is singing and dancing in Heaven today. Thank You, Father God, for letting Linda be a part of my life.

“ I will always remember Linda from the first time I met her at the Piggly Wiggly in East Albany in the early 70's. A few years later we were attending Sunnyside Baptist together. Linda was the very first person that I entrusted my Ricky to. She watched him for Richard and I to get a night out after he was born. As life went on we found each other attending the same church again at Antioch. Linda was the same person the last time I saw her at church as the first time I met her. Her kind heart and consideration for everyone never faltered or wavered in spite of her own problems or circumstances. I know she has found favor with God and is rejoicing in Heaven. May John and her family find comfort knowing she is where they will meet her again with the Lord.
