“ *Their are so many great memories I have of Aunt Gail...She is the greatest aunt anyone could ever ask for...She has helped me over the years keep Tyler why I went to work...She would do anything for anyone...She was always looking out for everyone else...Some of my greatest memories was her eating the food off Shaun, me and Susans supper plate to keep us from getting in trouble...She was always keeping an eye out for us....It never failed to during Grace around the table we all would get in trouble because one of us would start laughing and Aunt Gail was always right in the middle of it....She will never be forgotten and we love you all very much...*

“ Gail and I were very close growing up. We were known as the "Siamese twins" in school because we dressed alike. We played soft ball together, attended the same church and were the best of friends. Got in a lot of trouble together too. Our lives changed and we went separate ways after my parents placed me in a private school. Growing up with families of our own, we did not see each other. Our paths recently crossed after many years when I lost my mother. Gail came to the funeral and I was so glad to see her. So sorry for your loss. May God bless you and sustain during this difficult time.

“ *Mert, Lawrence and Randall, know that each of you are in my thoughts, and prayers, during this difficult time.*

The BEST Slow-Pitch Softball Catcher there ever was, in these eyes of mine! The fun times we had, whether on the Tournament Road, or just at Home on Highland Avenue Ball Fields, are memories NEVER to be forgotten!

Gail touched so many hearts over the years; she truly had a heart of gold, and I was blessed to know her, and to have her as one of my dearest friends.

Rest in Peace, my sweet friend! I WILL see you again!!
