Memories of Love

*When I was younger
When you were here
We would play around
Almost every year*

*The time flew by
Christmas, Birthdays too
But not a moment went by
Without me caring about you*

*You were a friend
A good one at that
You always cared about me
And asked where I was at*

*Friends forever
Like they always say
And that friendship will never change
Even if you are away*

*I love you like family
And I always will
So even if you forget
My love and care for you will remain still*

*But now that times have changed
From past to present
Certain joys must fade
Even if its unpleasant*

It was a delight to have you

*In my life all those years
It showed me how quickly
Happiness can disappear*

*But since your up above
Gazing down from the clouds
Its makes me reflect on the time we
Spent together
When you were down here, on the ground*

*You will always be loved
And you will always be here
In my heart and in others
Right now, next week, or next year*

*Your presence will be remembered
So rest easy for us ... okay
We will never stop remembering
You Mrs. Linda
And who knows, maybe we will
See you again one day*

“ Sending healing prayers and comforting hugs as you gather together to celebrate the life of your beloved one, Linda. They say "what is lovely lasts forever"; and Linda was definitely lovely. Her kindness, generosity and caring nature were contagious. She will forever remain in our hearts and memories. We pray that you and your family can feel her love and guiding hand in every step of the way.
