“ *Spence family,*

I was saddened to learn of Jimmy's death. My sincere condolences to your family. I share in your grieving. I recall so well the early days when dad, Randy, Bobby and myself would visit the Spences on Saturdays. It was truly a highlight of our weekend with dad. Some of best and funniest days of my childhood. I will choose to remember Jimmy in those good times. If ever in Houston, please plan a visit to the Couch's. Our home is always open to old friends. With heavy heart, Ricky

“ Greensboro, Charlotte, Gatlinburg, Panama City... Never mattered where we were at, we were always family . You played guitar like an Angel on atleast one occasion and probably more. You handled things in your own and I will always love you for that Jimmy.

“ Jimmy was a friend, and old buddy: I have many fond memories Jimmy our playing football in the backyard, or ping pong, our guitar duos, of our games of Chess: Those were the good days.... We cried tears over Wynn Hayes, (sp) and shared many tales. To you family members, you know who I am speaking of... I love you all, your mom and dad, Larry, Judy and that young brother of yours. I was sad when I heard of my old brothers passing-Tal
