“ *Elaine, Debbie, and Family! just learned of Lynn's passing and want to offer my condolences. I also want to share that Lynn was a very special friend to me, and she was a constant source of inspiration. You meet very few people in life like Lynn, and I consider myself blessed to have known her. You will be in my prayers - she loved you all so much and was so proud to share stories about each of you! Heaven certainly gained another angel!Jan*
