“ *My favorite memory of Kenzie was when we first met. I was on my way home and heard someone tell at me from their car, she was in that car. I wish we had more time together to make memories before everything happened. Kenzie was taken far too soon, I'm praying for her family and friends. It destroyed me when I heard she was in an accident.*

“ *My heart breaks for the entire family. I'm so sorry for what you are all going through. It will never make sense that such a beautiful young soul was taken from you so early in her life. I hope you are able to find some comfort in knowing a part of her will continue to live on in the lives of everyone who knew and loved her.*
