“ *I have so many fond memories of Peggy. When I first moved here, it was Peggy who introduced me to Rosenbergs, Vogue Casuals, and Carmen's. She was quite a shopper. She also introduced me to the Palace Theater, which is a story in itself. In later years we took college classes together at ABAC. Yes, we shared a lot of memories together, she was a good friend.*

“ *As a high school class mate and friend of Peggy, my family and I want to send our love, prayers and condolences. Peggy was a very strong and dedicated personality who never gave up. She worked very hard our Junior year to locate a place for our Jr/Sr Prom. She was the class president that year. With the help of her parents she did provided a beautiful location for our prom. With the help of many parents, the class hosted a beautiful prom at the Radium Spring Lodge. It was called Stairway to the Stars. Once again Peggy has climbed the stairway into her Heavenly Father's arms. We will always be grateful to her.*
