“ *I'm Tommy Adams a long time partner in crime at the Worth County Sheriff's Dept. We were in a foot chase off of Pinson St. I remember rounding the corner of a building and saw Gene standing in a clearing. When I got up to where he was I asked him which way did the bad guy run. He took his time paused, lit a cigarette took a puff and pointed saying he ran that way! We did catch up with the bad guy but Gene had everything to do with it by taking his from a cigarette break to point!! Lol. I will truly miss my partner. He will be by my side one last time as I help carry him to his final resting place. J-2 is 10-7 miss you man.*
