“ *I will always remember Mark, as I have known him as far back as I can remember when I lived a few houses down as a little girl. Mark and Mike would aggravate Donna and I when we would be playing with dolls etc. BUT he did let us ride his go cart in the back yard. Sweet memories, I will never forget. I was blessed to get a big hug from him at Ms. Linda's funeral and meet some of his family I had never met. Continued Prayers for you all! Donna and Mike I LOVE you and I know he and your Mama will be with you in spirit always.*

“ To Mrs. Sue and family I would like for y'all to know how very sorry I am to hear about Mr. Marks passing. I have known y'all for a long time, long enough that Rebecca is part of your family and to know that Mr. Mark was always a really nice guy. I know mama and Pop.. (Ron) thought a lot of him. I'm not always sure about what to say at a time like this. I'm sure y'all will always have a void in the family without him and hopefully God will help you through the pain. I'm sending my condolences to each and every one of y'all. Angela Brown

“ A dear friend. I have enjoyed working with Mark over the years. We shared alot of personal business and had some good talks. The entire shop is like a family. I miss him already. We have had countless people around the base asking to pass their condolences to the family.

“ *My Deepest Sympathy and Condolence to the Burchett family. Mark and I would always ask each other with "how are your doing and how is the family". He was a great person that would give his all to his work. Often performing work at MCLBs boiler plant, he would inform me what he he felt was the best way he would do the job always looking ahead. I will miss not seeing or talking with my friend. A great guy has gone, Prayers to the family.*

“ *Mark was always a good friend to me and he would go out of his way to help anyone that needed it. He always asked me about my family if he knew something was wrong with one of them. I surely will miss seeing Mark at work! Praying for his family now that our good Lord will help them through this difficult time.*
