“ *Chad, The six of us shared some fun times. I talked with Mark in December a couple times and he said he would call soon and we would go out to eat. I am sorry that he got sick before we could spend that time together. But please know that you and Mark will always have a special place in my heart.*

“ *Mark was truly a fine man. I haven't seen in in a few years and didn't know of his death until later. God bless you Chad and Lane and all of the family*
