“ *I am so glad that my last memories of your mother were seeing her laughing and enjoying being among the Benson clan at one of the reunions. I remember even though I had not seen her in years...she still looked just the same. She had a sweet spirit and always made me feel good to be around her. I will miss seeing you all at the service, but as you know mama is in a nursing home in Buchanan, GA and she wanted me to tell you she loved you and wished that she could be there. Always remember we love you and pray that God will give you peace during this time of sorrow. Love you both,Nancy And Family*
