“ Uncle Pete was one of the greatest men I have ever known. He was a happy person who was full of life. He was a wonderful husband, father and grandfather (Big Pete). He loved people. He never met a stranger. He had many friends and most of them have some funny stories to tell. He was lived by all who knew him. He will be missed terribly, but we know he is suffering no more and we'll see him again one day. He is back to the "old Pete" now and no doubt already met and talked to half the people in Heaven by now. Love you Uncle Pete.
