“ *Mary the short time I knew you I was very blessed to be your caregiver. Being able to sit and talk with you about so much and the day before you went to heaven, I asked you "what can I do for you Mary" your answer "Just Love Me". Well you were loved by me I just want you to know. I also had the honor to pray for you that day and you said I want to see my mama..well I hope you, Jesus and all your family that's in heaven are smiling. RIP dear Lady. :) love Angela*

“ *Mary was a warrior, strong, sweet, and straight forward. I remember the last night before my retirement, giving her report and knowing those patients would be getting the best care ever. Mary, we will miss you, but ever so much better for having pasted your way. Blessings, sweet Mary, rest now.*

“ *Mary will always hold a special place in my heart. She had a heart of gold. I took a little beach trip with Mary once and we had a blast. I'll always think of her when I pet the sweet kitty she gave my boys and when I crochet. I love you, Mary B!*

“ I remember Mary from when I was a little girl and I would go visit Uncle Frank and Aunt Debbie. I remember her as having a caring spirit who let you know what she thought about something. I'm so glad that I had the opportunity to know her over the years and I'm glad she got to know Jesus. She's fought a long, hard battle with such grace and now she's forever healed, at rest, and rejoicing with her family members gone before her.

Thoughts and prayers for all of her family left behind to carry on her legacy.
