“ Great teachers like Mrs. Haney have a very positive impact on many people which last a lifetime and keeps being passed forward. I am thankful she was my high school business class teacher at Worth Academy. From her, I learned to be a top notch typist. She knew I worked at the radio station and would have a management career in that field which would require a good deal of written communications. So, typing would be very beneficial. She encouraged me to take the class and not worry if I was one of the few guys doing so. Turns out I was very good at it and still am, using it a lot, every day, except now, on a computer keyboard. Admittedly, she either never noticed I still looked at the keys or more likely, she did, but liked me enough to not get on to me about it. She was kind hearted yet serious about helping her students be successful in life. I also remember how proud she was of her daughter, Pam, and son, Greg. Next year marks 40 years since I graduated from high school, even longer since I took Mrs. Haney's class. However through the years, every time she saw my mother, she would ask about me and my oldest sister, Natalie, who also took one of her classes and became an outstanding teacher, herself. Mrs. Haney remembered us and I will certainly never forget her and the positive impact she had on me and the high standard she set as a caring teacher and mother.

"I have come to believe that a great teacher is a great artist and that there are as few as there are any other great artists. It might even be the greatest of the arts since the medium is the human mind and spirit." (John Steinbeck)

“ *"A great educator! Dedicated to improving the character and quality of life in the students assigned to her. Mrs. Haney always put others first and made the educational task a joy and not must do. She mentored many and will find many of her superior characteristics utilized in everyday lives that believed in and valued this educator. Mrs. Haney improved Worth County, she did not just pass through. Thank you for the precious memories.*

“ I am so sorry to hear this news. I had the opportunity of working with Mrs. Haney and going to church with her and her sweet family. When we would bring her the Vidalia onions she requested, she always made us the best chocolate pound cake with no eggs or sugar. God Bless you Mr. Haney, Pam and Greg. RIP Wylene!

“ *"My heart is broken to hear of Wylene's death. We were best friends all through High School. and had plans to get jobs and live together after graduation then Ed came along and "took her away from me." There are so many happy memories .and I will treasure them forever. My prayers are with her family. RIP my sweet friend."*
