“ *Please accept my condolences in the loss of Mary Elizabeth. I remember going to school with her and she was a very sweet person. We had lost touch with one another as we went our different ways after high school. She will always be remembered with respect and affection.*

“ My heartfelt and deepest sympathy to Tommy, the children, gradchildren and family of our dear Mary. May you lean on the Lord in your hours of bereavement. I am remembering our days at the photo lab. I just loved it when Mary got tickled about some crazy stuff going on there, i will always remember her laugh. She talked so lovingly about her children (they were school age when she worked there) and Tommy. I thank God, i was blessed to visit with her and Tommy, i so enjoyed my visit. She showed me pictures of her beautiful family. Mary was a good and kind person, and i am so grateful that our paths crossed. Be strong family, I will keep you all in my prayers.
