“ So sorry to hear this news. A great asset to Albany and AFD for many years. I always enjoyed talking to him when he would come eat at Harvest Moon or at a Darton Baseball game. He was very proud of his sons and all of their accomplishments. My prayers go out to all of his family and friends and know he will be missed by many.

“ My condolences go out to his wife and children. He was my cousin. I remember being up in the Poconos when he lived up there with His mom and dad. We had so much fun many, many moons ago. So sorry for your loss. He is a great person God bless.

“ I had the privilege of having Matt in one of my Fire crews and you could tell from the beginning that being a Fireman was his calling. During our time together I never once saw him back away or not have your back. To his family let it be known that Matt was a real fireman cut from the right cloth. Rest easy Matt you have earned your peace

“ *Mr. Curillo,
Was a great man and always willing to lend a helping hand. He was always the number one fan for his son Jonathan during his high school cross country and baseball events. He always presented himself with a big smile and words of encouragement for Jonathan and his teammates. Thank you for all you did Mr. Curillo in being a supportive father and even help guiding me to become a better coach.*

“ *Matt Cirullo....first time I met Matt was in 1996 when he was hired at the Albany Fire Department. You could tell right away he had a feisty personality...willing to do anything to get the job done and would stand up for what he believed was right. He also had a huge heart. He would help anyone, if he could. He was likable and dependable. So many stories can be told....that is a good thing, it means he lived and while doing so touched so many others lives! He will be missed by all. A good friend, brother, firefighter and most of all a dad that loved his children. RIP my friend! Prayers for the family.*
