“ *As a kid living in Columbus Ga, I always enjoyed a second family of mine. The family of Buck and Maxine Etheredge. My Aunt Maxine was always at the center of this home away from home and always made me feel so welcome. I grew up with Julius , Brenda Kay, and Crissie. I had an Uncle named Buck who always showed me the country way , whether it was farming , cooking , fishing or just plain old working. He was truly an inspiration to me. Now my Aunt Maxine as I said was center of this wonderful family. The meals she prepared and the home she kept, the lives she touched. As a kid she would hug me and with her wonderful smile say , " You know you are one of my kids too" I can only tell you how wonderful that made me feel. The last time I visited with Aunt Maxine, me in my 60"s now, she greeted me with that same hug and smile , telling me again I was one of her kids too. I will miss Aunt Maxine but will forever hold on the wonderful memories of her, and growing up with Julius , Brenda Kay , and Crissie. Truly in Loving Memory of this wonderful Lady. Brad Boland*
