“ I was so sorry to hear of Merle's passing. She was a very special person and one I am blessed to have known. She was amazing and taught me so much. I enjoyed working with her at Coats & Clark, first meeting her in Ashburn then working with her in Albany. Heaven is a lot more fun, I know, now that Ms. Merle is there! My prayers are with all her family during this time of loss.

My daddy was Thelbert Giddens. He was brother of Nettie Williams Merle Ann's mother. Sorry we can't be with y'all during this time but my husband and I both have the flu.

“ *Merle was such a wonderful person. I came to know her and Bob many years ago. She always was such a kind, generous person. I just was looking for her website and found this. I am sorry for your loss. She reached out to so many people. I am blessed to have known her.*

“ *I met Ms. Merle many years ago at her yarn business. I immediately liked her and enjoyed shopping and visiting with her at the store. She was always so helpful and so friendly. Although months would pass between yarn excursions, she always remembered me and our conversation would pick up where we left off months earlier. She was a fine lady and will be missed by so many. My thoughts and prayers are with her loved ones during this time.*
