“ *I am so sorry to hear about your loss. Mike was a great friend and coworker. He talked a lot about his family and you could tell he loved them dearly. My brother bought the car your mom drove and we found 2 beach towels in the trunk. I feel they belong to Erin and Jennifer. I feel like they may want them. I would like to them to have them back. Please call me, Velma Tanner 229-439-9629. Once again, I am so sorry to hear about Mike's passing.*

“ *Mike was a good man who loved and cherished his wife and children. He lived and breathed Cooper Tire until he married and started a family. I will never forget him walking down the main aisle of the Albany plant with his presence commanding such respect and attention. Rest in peace Conaway and know that you had many friends and fellow co-workers who will remember you as a "gentle giant."*

“ Mike, you will never be forgotten. We have so many good memories of things you have done. You were not only a co-worker, (and a very good one at that), but you were a good friend...always there to help when needed. You were dependable and loyal. You were a big guy, with a big smile, and an even BIGGER heart. We feel Blessed to have been able to spend some very precious time with you those last days. We are so sorry you are gone, but are glad your suffering has ended. We will keep his sweet daughters Erin and Jennifer in our prayers, may God grant them peace, love, and security as they start a new chapter in the journey of life. Our prayers are with the whole family for strength and wisdom as they accept these two girls as their own. We feel Mike is happy again as he is with his beloved Matacha. Always in our hearts.....

“ Conaway will forever be missed by all that knew him. He was more than just a co-worker, he was one of my best friends. A heart as big as he was. Nothing he wouldn't do for his girls or wife. Erin and Jennifer will be in our thoughts and prayers, as well as the countless friends and family Mike had. Thanks for the memories Conaway and rest in peace with your beloved.

“ My deepest sympathy to his children, father, brothers, and other family members and friends. Mike is with Matacha now and I know "if possible" they are having a ball together. I miss them both so much, though we were miles apart, we always managed to talk frequently over the phone. They both loved each other, their family, friends and most of all their children Lindsey, Kristy, Tyler, Jennifer, Erin and let us not forget their grandchild Rachel. They both are gone now but their legacy lives on through their children. Now that Mike is gone and can not be here for them, let us honor him by continuing to be there for those he loved but had to leave behind. My heart aches from the loss. I'm sending up special prayers for the two youngest girls Jennifer and Erin and would like to say to them to be brave, stay strong and keep the faith, you are Conaway's and hail from two strong parents. You will always be in my thoughts and prayers. May God continue to bless you both is my prayer.

“ What can i say, I have known Matasha(tosh) for my lifetime. She was crazy about Mike. She finally found her peace when she met him. They had two beautiful daughters. It hurts my heart that Mike and Tosh cant be there to see them grow into beautiful adults but i know they are there with them in spirit. Mike and Matosha we love you guys and will always miss ya'll.

“ I was very sorry to hear about Mike's passing. I met Mike almost 30 years ago in Kansas City when I began my career with Cooper Tire. I had the pleasure of working with Mike's dad for many years, as well as with his brother Bill. My heart goes out to his family
