“ I am so sorry to hear this. I worked at First State Bank & Trust in Albany not in the same department with Millie, but when REGIONS bought First State out I was so stressed out. I went to a glass down town and Millie was there and when I went back to my branch on North Slappey I remember Millie sent me some flowers. She was always kind to me and that is something u never forget. I pray that God will be with each family member and hold them close today and in the days ahead.
