“ WHat a remarkable life Mrs. Nelle Tracy Lived. In those days, 1940s and 50s, she was never "shielded" from late night calls for Dr. Tracy.! Dr. Tracy was our doctor and capable and faithfully cared for my dad, Pastor William Clifford Smith, through his five year battle with cancer, ending in death in 1951. An honored and appreciated man and woman!

“ Mrs. Tracy was such a delightful woman - I always loved going to her home, as you felt like you were the only person in the world. She and Dr. Tracy were a huge part of my life in Sylvester and the Methodist Church - what great memories. Nelle was a great friend to my mother Catherine and I have no doubt that friendship is continuing with both of them in Heaven.

*Hoping you know that your parents will live on through all they touched. May your grief and sadness be quickly replaced by sweet, comforting memories.*
