“ *Prayers and Condolences go to Virgie and all the family. Paul was a good man and he will be missed. We that are left are sad but the angels are singing to day as another of God's children has come home. Virgie I pray for strength for you through this time, when you feel you can't take another step lean on God and He will carry you where you need to go.  
Chip and I love you, God Bless*

“ he was my dad. we grew apart over the years, but i was close to him as a child.  
sad we grew so far apart. i'm sad today, i love dad even tho he may not have realized it and i didn't call him in time..  
i'm sad for virgie, she adored dad. this is terrible for her.  
i know God has dad with Him now, and dad is happy.

“ dad was good to my sister and i when we were kids. he did a good job at single parenting him when we would go to live with him. he used to take us to a special ice cream place to get ice cream a lot. dad was a good guy. i wish we had been closer, i'm really sad today that we were not.
