“ *I am very sadden by the passing of Gerald A.K.A. Murt. My condolences go out to the entire family. We lost a great man way too soon. I grew up right across the street from the recreation department which I attended throughout my childhood and teenage years. With that being said I spent so much time with Murt and the crew during those years. It would take me hours or days to tell you'll about the great memories we spent together at the recreation dept. He taught me how to play table tennis and how to shoot a basketball at the age of 7. He took up a lot of time with me which I am very thankful. I will always remember Murt as a caring, loving, and fair man. R.I.P. Mr. Gerald D. "Murt" Melton*

“ I was honored to be elected with Murt as Most Athletic of class of 59. He was the Most Athletic and at the 50th class reunion he still looked like he did when we were in school. He was lots of fun very dry but funny. Glad I got to spend some time with him at the reunion. Hazel and family my prayers are with you.
