“ *It was about 6 or 7 years ago... Wayne, Jimmy, Chucky. Picture us standing around a burning barrel outside Elsie and Leonard's house in Germfask after the Topper Reunion, (I now realize that I babysat for all these young men). After some... hmmm,... shall I say libations...lol,... Wayne and I decided that I would teach him how to scuba dive on the following day... needless to say, neither of us were up for it when I called the next morning. (We will rain check it!)*

What a spirit, what a personality... I will miss you Wayne... With Love, your cuz, David

“ *Wayne was a good friend. I graduated with Wayne in Newberry but lost touch over the years. So sad to hear of his passing. God bless you, Wayne. I have good memories and you are missed.*
