“ All my love and prayers are with you at this saddest of moments in your life. The loves of our lives are with us forever and a day. Lew is with Jesus and the angels now looking on us and still loving and protecting us in our daily lives. My Ken is there too. I take comfort in that. They will keep each other busy with those long talks. Lew's loving sister and Bonnie's loving sister-in-law Peace, love and prayers for you and Lew. Carol

“ I remember my Uncle Lewis of being a very kind and caring man. I was very young the last time that I saw him, but he made a lasting impression on me. My thoughts and prayers are with Aunt Bonnie and other family members. Uncle Lewis, you touched the lives of many and were loved by so many people.
