“ Dennis was one of the most dedicated and professional officers I've
ever had the pleasure of knowing. His word was his contract and all
those whom he served in his role as an officer for Plantation
Security were at ease knowing that he was on the job.
I don't really know how to express my personal feelings other than
to tell the family and friends closest to him that I not only share the
sense of loss, but grieve with you.
Dennis was a treasured friend and I'll be forever grateful for the
opportunity to have been able to call him "friend". He will always
occupy a special place in my heart.
My prayers are with you all.

“ Momma Brenda and Denise you have always been family to me. You watched me when I was a little girl. You were both like my second parents. After I became sick we lost touch but that never changed how I feel for both of you. I love you very much and always will. Denise was great. He was a wonderful father and husband. I will miss him always. I love you Momma Brenda and God Bless.
