“ *Mark I am so sorry for the loss of Ellen and pray that all the empty times and the times of memory will be nothing but good times and times together as a couple. I've been told the loss of a spouse is the worse that you can experience but I pray not because you have to continue your life because you have a family that loves you more than you know. Ellen is hurting no more and if she could tell you one thing it would be go on with you life because I'm with Jesus now and I am happy. I hurt no more.*

“ Mark, Lisa and family,
I am so saddened to hear about Ellen's passing. We knew she had been struggling for a good while. She would want us all to remember her for the good times and laughter we shared. You will be in my thoughts and prayers in the days and weeks ahead. May your broken hearts heal soon.
