“ *To Amelia's Family
I remember Amelia and I playing together as children. I especially remember one time when I stayed at her house for a few days and we played in the barn. We had a great time. As I listened this past weekend to what was said, I realized how much her family meant to her. The letter that was written showed what a great person she was to her family. She left a wonderful legacy. I will continue to remember you in my prayers as you adjust to your loss. Love, Ann Gray*
