“ *Kenny, I am very sorry to hear the news of your mom's passing. My thoughts and prayers are with you during this trying time. I pray that God gives you peace to get thru this. He must have needed one more angel and I promise you that he got one of the BEST he could ask for! Your mom was a GREAT person and loved life ... she will never be forgotten! She always had a smile on her face and would listen to everybody's fussing .. she often had to be the referee! :) Tyler & Peyton won't ever forget her either ... She ALWAYS filled their pockets with candy ... even when they hadn't had dinner yet! When they were in trouble, they would always run across the street because they knew "Granny" would hide 'em until things settled down! I love you and am here if you need anything!*

“ *I was so sorry to hear of your loss Kenny. I know your mama has suffered long and hard but you can rest assured that she is in no pain now and resting peacefully in the presence of God. She was a sweet lady and touched the lives of many..including my grandsons Tyler and Peyton. I laugh because she always had a candy jar or bowl ready for them when they came to load up their little pockets. She will be remembered always for those little things and her strong determination to live life. My heart and mind is with you and your family today and always. May you feel the comfort of God during this time. Big Hug to you Bro!*
