“ *I first met Beverly in 1954. We became friends at first sight. We were inseparable until life took us in different locations. We kept in touch throughout the years as often as we could. The last time being when she returned to Lee County where she lived the rest of her life. We shared many fond memories. I loved her as a sister and I will remember her always. May God bless and keep her family. I will continue to pray for her soul. Sincerely, Nancy Spanfelner*

“ *My granny was a very beautiful, kind-hearted, loving lady. She did indeed love to sing and loved her children, grand/great-grand children more than words can express. She is and will be missed so so much! She will always be in our hearts. I love you Granny always and forever...*
