“ *I had the honor of knowing Kathy and coming to love her as a sister. She was a strong, vivacious and caring lady. Through her sisters, I saw love like no other..... NEVER heard one complaint and was worried about everyone else. I consider it a life changing experience to have been part of Kathy's life -*

“ *Kathy was one of the best friends I have ever had. We shared lots of laughs and some tears. We could go for awhile without seeing or talking to each other, but when we would get together, it was always like not time had passed at all. She was such a kind, beautiful, loving, giving person and I am going to miss you my Friend.*

“ *Kathy was one of the sweetest, loving, caring, and determined friend and mother I know. I was young when I met her. She took me under her wing and cared for me like her own. Kathy's heart was bigger than her body itself. Religion, race, or age was not a barrier. If there was a dictionary to describe people she would follow the words Exquisite Love. I could write a book about how good she was but I think I'll leave those chapters open in my heart. I know she has given everyone who visits here exquisite memories. Please keep them in your heart always. I send my sincere condolences to Kathy's Family. I love You Kathy.*

“ *Kathy was more than just a friend, she was more like my sister. She was always there for me, always encouraged me and comforted me. She was my biggest supporter in both the good and the bad. She helped me find self-acceptance and she showed me how wonderful living others unconditionally is.*

I cherish my memories of her so much. She was the sweetest part of my life for so long, I miss her positive outlook on life, her bright beautiful smile and most of all the way she genuinely cared about me. She will always have a special place in my heart. I feel so truly bless to have known and loved her.

“ Ode To My True Friend
by Elizabeth Pinard

*The day I met you
I found a friend -
And a friendship that
I pray will never end.*

*Your smile - so sweet
And so bright -
Kept me going
When day was as dark as night.*

*You never ever judged me,
You understood my sorrow.
Then you told me it needn't be that way
And gave me the hope of a better tomorrow.*

*You were always there for me,
I knew I could count on you.
You gave me advice and encouragement
Whenever I didn't know what to do.*

*You helped me learn to love myself
You made life seem so good.
You said I can do anything I put my mind to
And suddenly I knew I could.*

*There were times when we didn't see eye to eye
And there were days when both of us cried.
But even so we made it through:
Our friendship hasn't yet died.*

*Circumstances have pulled us apart,
We are separated by many miles.
Truly, the only thing that keeps me going*

Is my treasured memory of your smile.

*This friendship we share
Is so precious to me,
I hope it grows and flourishes
And lasts unto infinity.*

*You are so extra-special to me
And so this to you I really must tell:
You are my one true friend,
My Guardian Angel.*

*Our friendship is one-in-a-million
So let's hold on to it and each other.
We cannot let this chance of pure bliss fly away
For there will never be another.*

*I love you.
I will always love you.*
