“ I love going to grandma’s house she had pot pies plates and a big spoon so we could play in the dirt. She was sweet but she could get your butt if she had to. I will miss her alot. I love going over there and see grandma cause she had frosted animal cookies. Grandma made sure her container was full. I will miss her very much but I know she in heaven with grandpa and Randall. Good-bye grandma I know I will see her again
