“ I could say so much about this sweet kindred spirit. She was an example to me as a praying woman. She helped me to know that our talents are gifts God, blesses us with, and that we honor Him by sharing our talents. She held no fear in sharing the Gospel. Joyful praises lifted for her and comfort to her family.

“ I attended church with Sister Nell for a few years and Sue and I went to school together. She was a good woman who always had a hug for me. She will truly be missed. Sue and family I pray for God's peace and comfort for each of you during this difficult time. I know when she got to heaven and saw Eugene they had a big laugh as they always did when they saw each other! I will be praying for you all.
