I just don't know what to say, except I'm very sad. Now I've lost them all, my whole family. So all know the memories I have. Thomas and Norma, like me, grew up hard, but due to hard work and dedication to do better, raised our families the way they should be raised. Thomas chose the right woman, Norma, like I did and lived a great life. With the Lord on your side, you who are left behind, will know happiness. You know where they are, feel blessed, hold your head up and enjoy what they left you. God bless you all.

So sweet and funny! An Angel on Earth and in Heaven. Sonya, my heart breaks for you. It is especially hard to be the caregiver. Dementia is awful, I am glad she is at a Restful Peace and whole again. I am keeping all of your family in my prayers

God called home an Angel from earth. No longer will there be issues with memory, all is restored. Time to celebrate an amazing Gift from God to all who were blessed to know her in her prime. Love and Prayers for the family
