Patricia, I would be sad for you but where you are is only joy ! I know without a doubt that you loved Jesus. You loved people and you loved trying to help people...and you loved animals. I loved it when you would call me and say, " Hey Daddy Mark, we haven't talked in a little while, so I wanted to call and bring you up to date. " And you would ask how is grandma doing ? Well I'm sure you know, her birthday was yesterday and she is 100 now ! Shawn, I will miss your phone calls and sending you cds from time to time. You do know you are amazing ! There were some that didn't think you would live as long as you did. And you did a lot of things that surprised some folks ! You went beyond a lot of expectations ! Patricia, I'm proud of you ! I love you and I'll miss you ! BUT, I will see you again. I love you, Daddy Mark (Mark Williams)
