“ *I did not know Paul for very long I was lucky enough to work around him for a few years and what I did know of him was that he was a hard worker and a family man. I also could tell that he loved his children and grandchildren very much and I know he will be missed very much by his family and friends.*

“ *Wow! I am floored at the loss of such a wonderful man. Paul Arnold was a special person. I met Paul in my late teens and he remained a true friend for life. He was the best male friend I ever had. I haven't seen Paul or his children in years but, my memories are strong. He loved his children with all of his heart (I'm sure his grandchildren too). He knew me as Denise and JD!. Paul treated me like an older brother but I just found out I am older than him. He was wise beyond his years! We had many good times (long ago) and I will cherish those memories forever. A good man is gone, way to soon, and I feel the pain of his family and special friends! RIP Old Friend-I Love You! I send peace and love to all of you that are broken by the sudden death of this truly unique man! JD (Denise)*

“ No words can describe the hollow in our hearts left by the parting of our dear Paul. May God and the Angels give you the comfort, peace and courage to help you face the days ahead. Paul was not only a great co-worker but also a wonderful friend. He touched my heart with his love and kindness. A man with that type of heart is difficult to find. He was one of a kind. It comforts me to know that he is at peace and looking over all his loved ones. May your days of mourning pass quickly so that you can begin to cherish the wonderful memories he has left. For I know he would want to see you all smiling as you speak of his memories during his tribute. Much Love to you all.
