“ *To my cousin Peggy's children. I am so sorry for your loss. You are in my thoughts and prayers. We will certainly miss her at church. I have enjoyed the opportunity to get to know her better over the last few years and share "Acree/ Wilder/Tanner" stories with her. I certainly enjoyed it when she would bring old pictures to church. I remember that the last ones she shared were of the old Acree School house and she was in the pictures as a very small child. She really loved family both young and old those who closely related as well as those that are distant kin. I will certainly miss her.*
