“ *Dear family, I am so sad to see this obit. The Greene's lived on the end of Hillside in Sylvester and I lived on the other. Peggy and I spent A lot of weekends and summer days together. Our favorite thing to do was make brownies! We lost touch until we ran into each other at a Doctor's office several years ago. She was the same Peggy that I remembered. I'm sorry I didn't stay in touch. Please accept my love and condolence. May God be with you all. Sherrie Thompson Ashburn GA*

“ My niece whom I refer to as "Peggy Girl" was one of the most loving & caring people you would hope would enter your life. That hope came true for me. I loved her so very much & was so happy that I got to keep my promise to her last year, that if I got to take my trip back there, that I would surly be coming to see her. She made many of my days brighter, by just letting me know how much she loved me & that she was always there for me. God Bless you "Peggy Girl". Aunt Becky Greene
