“ *Hi, my name is Amber and I met Peyton through Steak N Shake. She was the most sweetest and kind person you ever could meet. She helped me learn all there was to learn about the job and more. I always looked forward to seeing her and that mustang. Everyone that came in contact with her, loved her. I recently found out about her passing and I couldn't stop thinking of her and that is how I ended up here writing this message. It saddened me to have heard that a beautiful soul such as hers has gone on. To all of her friends and family, I send my deepest condolences to you guys and remember that joy comes in the morning.*

“ I still can't believe its true. However I loved Peyton with all my heart. She was the best manager anybody could ask for and was always eager to give a helping hand. I'm glad I took the time out of my life to meet such a wonderful person. She knew if she needed anything she could always call on me and which she did. But I hate this time has come but, may Peyton's sweet soul Rest In Peace.
