“ *Good morning. My heart goes out to you all. Phil was such a nice gentle giant of a man. My Dad introduced me to Senky's and Phil several years ago. My Dad passed away 4 years ago and Phil still kept me up with worms and minnows as I drove down to my parents lake house from Atlanta. If i was coming down, and I knew I couldn't get there in time before Phil left, he would leave the minnows or worms or both for me to get so I wouldn't miss Saturday morning fishing. I would go by that afternoon at lunch and pay him. We loved talking to each other and he was always so helpful and nice to me. I am still in shock and will miss him dearly. I hope that you will carry on the tradition of a great place: Senky's. My thoughts and prayers are with you all. God bless each of you and may you get stronger each and everyday. Rob from Atlanta.*
