“ I will surely miss the "beautiful spirit" that my neighbor (and she was a friend to me) is, was and always will be! The wonderful conversations we shared, the knowledge of her homeland and gardening, her family and their children...how proud she was of each of them, the sharing and caring attitude she exemplified to every "living being" on this earth plane we call home! I will forever miss the AWESOME SPRING ROLLS she would make and share each time she made them. I am only sorry that each time she would make them....with the intention of teaching me how to make them....our schedules were not in sync with one another....an opportunity missed repeatedly and regretfully!! I can say with the utmost love and respect to Ranee...her memory and all her family, here and abroad...she will be missed and loved beyond measure.Ranee...may your Love, Light, and Essence shine brightly till we meet again
